Spectators must also accept the referee's decisions and are not permitted to take part in any dispute or discussion between the players and the referee.
- * Control your temper - verbal abuse of officials and/or other players, deliberately distracting or provoking an opponent is not acceptable or permitted in any sport.
- * Be a good sport. Applaud all good play whether it is by your team or the other team.
- * Treat all players as you would like to be treated.
- * Support and encourage your team mates and the Controller as well as all other players. Without them, there would be no competition.

PLEASE NOTE THAT THE MASTERS COMMITTEE POLICY AS SET OUT BELOW WILL BE STRICTLY ADHERED TO IN THE FORTHCOMING PENNANT.

- A player **must be a registered** South Australian Masters Squash player to be eligible to participate in an official Masters Squash Competition.
- If an **unregistered player** plays in a South Australian Masters Squash Pennant Competition team then all points won by that player will be considered null and void and they shall forfeit their match. In addition, the team for which they play shall also forfeit all matches below the position in which the unregistered player plays. E.g. if he/she plays at No.2 then the team will forfeit at Nos. 2, 3 and 4. The above penalty will also apply to Reserve Players unless a Registration Form and the appropriate fee is received within seven days of playing their first match.
- A player will be considered an unregistered player if he/she has **not paid the registration fee for a previous pennant** notwithstanding the fact that they may have paid the current pennant registration fee.
